

Level 2- 2nd semester 2023-2024

كلية الطب البشري المستوى الثاني - الفصل الدراسي الثاني

Level 2

MODULE	Date	DAY/Group	1	2	3	5	6	
			9:10	10:11	11:1	1:2	2:4	
	02/10/2024	Saturday	2A	History taking	Communication skills	History taking		Communication skills
			2B	History taking	Communication skills	History taking		Communication skills
			2C	History taking	Communication skills	Communication skills		History taking
			2D	History taking	Communication skills	Communication skills		History taking
	02/11/2024	Sunday	2A	Gross anatomy of testis, epididymis, spermatic cord	Histology of testis	Dissection of male internal organs		Mammary glands changes with age
			2B	Gross anatomy of testis, epididymis, spermatic cord	Histology of testis	Dissection of male internal organs		Mammary glands changes with age
			2C	Gross anatomy of testis, epididymis, spermatic cord	Histology of testis	Mammary glands changes with age		Dissection of male internal organs
			2D	Gross anatomy of testis, epididymis, spermatic cord	Histology of testis	Mammary glands changes with age		Dissection of male internal organs
			2A	Male Reproductive System: An overview and spermatogenesis	Sexually transmitted bacterial diseases	Blood testes barrier & Functions of Sertoli cells		STDs& Vaginal thrush & puerperal sepsis

02/12/2024	Monday	2B	Male Reproductive System: An overview and spermatogenesis	Sexually transmitted bacterial diseases	Blood testes barrier & Functions of Sertoli cells	STDs& Vaginal thrush & puerperal sepsis
		2C	Male Reproductive System: An overview and spermatogenesis	Sexually transmitted bacterial diseases	STDs& Vaginal thrush & puerperal sepsis	Blood testes barrier & Functions of Sertoli cells
		2D	Male Reproductive System: An overview and spermatogenesis	Sexually transmitted bacterial diseases	STDs& Vaginal thrush & puerperal sepsis	Blood testes barrier & Functions of Sertoli cells
13/2/2024	Tuesday	2A	Gross anatomy of scrotum, Penis	Histology of penis, internal genital organs	LM Penis, testis, internal genital organs	Anatomy of pelvic wall and pelvic muscles
		2B	Gross anatomy of scrotum, Penis	Histology of penis, internal genital organs	LM Penis, testis, internal genital organs	Anatomy of pelvic wall and pelvic muscles
		2C	Gross anatomy of scrotum, Penis	Histology of penis, internal genital organs	Anatomy of pelvic wall and pelvic muscles	LM Penis, testis, internal genital organs
		2D	Gross anatomy of scrotum, Penis	Histology of penis, internal genital organs	Anatomy of pelvic wall and pelvic muscles	LM Penis, testis, internal genital organs
24	Friday	2A	Diseases of prostate and testes	Testicular steroidogenesis	Diagnosis of pathological specimens of male genital system	Disorders of gonadal function in male
		2B	Diseases of prostate and testes	Testicular steroidogenesis	Diagnosis of pathological specimens of male genital system	Disorders of gonadal function in male

14/2/2024	Wednes	2C	Diseases of prostate and testes	Testicular steroidogenesis	Disorders of gonadal function in male	Continuous 1 of reproductive module	Diagnosis of pathological specimens of male genital system
		2D	Diseases of prostate and testes	Testicular steroidogenesis	Disorders of gonadal function in male		Diagnosis of pathological specimens of male genital system
17/2/2024	Saturday	2A	General examination	Health education	General examination	Continuous 1 of reproductive module	Health education
		2B	General examination	Health education	General examination		Health education
		2C	General examination	Health education	Health education		General examination
		2D	General examination	Health education	Health education		General examination
18/2/2024	Sunday	2A	Gross anatomy of vas, seminal vesicles, prostate, cooper's gland	Histology of ovaries & oviducts	Dissection of pelvic vessels & nerves	Continuous 1 of reproductive module	
		2B	Gross anatomy of vas, seminal vesicles, prostate, cooper's gland	Histology of ovaries & oviducts	Dissection of pelvic vessels & nerves		
		2C	Gross anatomy of vas, seminal vesicles, prostate, cooper's gland	Histology of ovaries & oviducts			Dissection of pelvic vessels & nerves
		2D	Gross anatomy of vas, seminal vesicles, prostate, cooper's gland	Histology of ovaries & oviducts			Dissection of pelvic vessels & nerves

19/2/2024	Monday	2A	Hormonal function of testis. Functions of male secondary sex organs	Sexually transmitted viral diseases	Examination of urogenital specimen	The hypothalamo-Pituitary-Testicular Axis
		2B	Hormonal function of testis. Functions of male secondary sex organs	Sexually transmitted viral diseases	Examination of urogenital specimen	The hypothalamo-Pituitary-Testicular Axis
		2C	Hormonal function of testis. Functions of male secondary sex organs	Sexually transmitted viral diseases	The hypothalamo-Pituitary-Testicular Axis	Examination of urogenital specimen
		2D	Hormonal function of testis. Functions of male secondary sex organs	Sexually transmitted viral diseases	The hypothalamo-Pituitary-Testicular Axis	Examination of urogenital specimen
20/2/2024	Tuesday	2A	Development of the male genital organs	Histology of uterus, cervix and vagina	LM of Female internal genital organs mammary glands	Vascular supply of male & female reproductive tracts
		2B	Development of the male genital organs	Histology of uterus, cervix and vagina	LM of Female internal genital organs mammary glands	Vascular supply of male & female reproductive tracts
		2C	Development of the male genital organs	Histology of uterus, cervix and vagina	Vascular supply of male & female reproductive tracts	LM of Female internal genital organs mammary glands
		2D	Development of the male genital organs	Histology of uterus, cervix and vagina	Vascular supply of male & female reproductive tracts	LM of Female internal genital organs mammary glands
		2A	Diseases of vulva, vagina & cervix	Female sex hormones	Diagnosis of pathological specimens of female genital system I	Disorders of gonadal function in female

21/2/2024	Wednesday	2B	Diseases of vulva, vagina & cervix	Female sex hormones	Diagnosis of pathological specimens of female genital system I	Continuous 2 of reproductive module	Disorders of gonadal function in female
		2C	Diseases of vulva, vagina & cervix	Female sex hormones	Disorders of gonadal function in female		Diagnosis of pathological specimens of female genital system I
		2D	Diseases of vulva, vagina & cervix	Female sex hormones	Disorders of gonadal function in female		Diagnosis of pathological specimens of female genital system I
24/2/2024	Saturday	2A	Abnormalities of general examination	Counseling	Abnormalities of general examination	Counseling	
		2B	Abnormalities of general examination	Counseling	Abnormalities of general examination	Counseling	
		2C	Abnormalities of general examination	Counseling	Counseling	Abnormalities of general examination	
		2D	Abnormalities of general examination	Counseling	Counseling	Abnormalities of general examination	
24	Friday	2A	Gross anatomy of the uterus	Sexual transmitted parasites	Male & female external genital organs	Congenitally transmitted parasites	
		2B	Gross anatomy of the uterus	Sexual transmitted parasites	Male & female external genital organs	Congenitally transmitted parasites	

25/2/20	Sunda	2C	Gross anatomy of the uterus	Sexual transmitted parasites	Congenitally transmitted parasites	Male & female external genital organs
		2D	Gross anatomy of the uterus	Sexual transmitted parasites	Congenitally transmitted parasites	Male & female external genital organs
26/2/2024	Monday	2A	Female reproductive system: An overview, oogenesis & female sexual cycle	Drugs contraindicated during pregnancy and lactation	The puberty onset & the major physiological changes	Biochemical investigations of infertility
		2B	Female reproductive system: An overview, oogenesis & female sexual cycle	Drugs contraindicated during pregnancy and lactation	The puberty onset & the major physiological changes	Biochemical investigations of infertility
		2C	Female reproductive system: An overview, oogenesis & female sexual cycle	Drugs contraindicated during pregnancy and lactation	Biochemical investigations of infertility	The puberty onset & the major physiological changes
		2D	Female reproductive system: An overview, oogenesis & female sexual cycle	Drugs contraindicated during pregnancy and lactation	Biochemical investigations of infertility	The puberty onset & the major physiological changes

27/2/2024	Tuesday	2A	Gross anatomy of the vagina & female external genital organs	Hormonal function of the ovary	Dissection of female internal organs	Disturbance of ovarian function
		2B	Gross anatomy of the vagina & female external genital organs	Hormonal function of the ovary	Dissection of female internal organs	Disturbance of ovarian function
		2C	Gross anatomy of the vagina & female external genital organs	Hormonal function of the ovary	Disturbance of ovarian function	Dissection of female internal organs
		2D	Gross anatomy of the vagina & female external genital organs	Hormonal function of the ovary	Disturbance of ovarian function	Dissection of female internal organs
28/2/2024	Wednesday	2A	Benign uterine pathology	Toxoplasmosis	Diagnosis of pathological specimens of female genital system II	Female reproductive system parasites
		2B	Benign uterine pathology	Toxoplasmosis	Diagnosis of pathological specimens of female genital system II	Female reproductive system parasites
		2C	Benign uterine pathology	Toxoplasmosis	Female reproductive system parasites	Diagnosis of pathological specimens of female genital system II
		2D	Benign uterine pathology	Toxoplasmosis	Female reproductive system parasites	Diagnosis of pathological specimens of female genital system II

02/03/2024	Saturday	2A	Normal abdominal exam.	Breaking Bad news	Normal abdominal exam.	Breaking Bad news
		2B	Normal abdominal exam.	Breaking Bad news	Normal abdominal exam.	Breaking Bad news
		2C	Normal abdominal exam.	Breaking Bad news	Breaking Bad news	Normal abdominal exam.
		2D	Normal abdominal exam.	Breaking Bad news	Breaking Bad news	Normal abdominal exam.
03/03/2024	Sunday	2A	Gross anatomy of ovaries & uterine tubes	Malignant neoplasms of the Uterine corpus	Gross anatomy of ovaries & uterine tubes	Tut.
		2B	Gross anatomy of ovaries & uterine tubes	Malignant neoplasms of the Uterine corpus	Gross anatomy of ovaries & uterine tubes	Tut.
		2C	Gross anatomy of ovaries & uterine tubes	Malignant neoplasms of the Uterine corpus	Tut.	Gross anatomy of ovaries & uterine tubes
		2D	Gross anatomy of ovaries & uterine tubes	Malignant neoplasms of the Uterine corpus	Tut.	Gross anatomy of ovaries & uterine tubes
04/03/2024	Monday	2A	Physiology of pregnancy	Drugs affecting uterine contraction	Lab.	Tut.
		2B	Physiology of pregnancy	Drugs affecting uterine contraction	Lab.	Tut.
		2C	Physiology of pregnancy	Drugs affecting uterine contraction	Tut.	Lab.
		2D	Physiology of pregnancy	Drugs affecting uterine contraction	Tut.	Lab.

05/03/2024	Tuesday	2A	Development of female genital organs	The menopause changes underlying climacteric symptoms	Lab.	Tut.
		2B	Development of female genital organs	The menopause changes underlying climacteric symptoms	Lab.	Tut.
		2C	Development of female genital organs	The menopause changes underlying climacteric symptoms	Tut.	Lab.
		2D	Development of female genital organs	The menopause changes underlying climacteric symptoms	Tut.	Lab.
06/03/2024	Wednesday	2A	Ovarian neoplasms	Trophoblastic pathology	Lab.	Tut.
		2B	Ovarian neoplasms	Trophoblastic pathology	Lab.	Tut.
		2C	Ovarian neoplasms	Trophoblastic pathology	Tut.	Lab.
		2D	Ovarian neoplasms	Trophoblastic pathology	Tut.	Lab.
		2A	Abnormal findings in abdominal exam	Listening and empathic	Abnormal findings in abdominal exam	ECEC Effective listening

09/03/2024	Saturday	2B	Abnormal findings in abdominal exam	Responding	Abnormal findings in abdominal exam	Continuous 1 of 4 module	Effective listening
		2C	Abnormal findings in abdominal exam	Listening and empathic	Effective listening		Abnormal findings in abdominal exam
		2D	Abnormal findings in abdominal exam	Responding	Effective listening		Abnormal findings in abdominal exam
10/03/2024	Sunday	2A	Female sex steroids and hormonal contraceptives	Pelvis inflammatory disease	Lab.	Tut.	
		2B	Female sex steroids and hormonal contraceptives	Pelvis inflammatory disease	Lab.	Tut.	
		2C	Female sex steroids and hormonal contraceptives	Pelvis inflammatory disease	Tut.	Lab.	
		2D	Female sex steroids and hormonal contraceptives	Pelvis inflammatory disease	Tut.	Lab.	
11/03/2024	Monday	2A	Polycystic ovary	Scrotal swelling	Lab.	Tut.	
		2B	Polycystic ovary	Scrotal swelling	Lab.	Tut.	
		2C	Polycystic ovary	Scrotal swelling	Tut.	Lab.	

		2D	Polycystic ovary	Scrotal swelling	Tut.	Lab.
12/03/2024	Tuesday	2A	<b>Practical revision</b>			
		2B				
		2C				
		2D				
13/03/2024	Wednesday	2A	<b>Practical exam of Reproductive module</b>			
		2B				
		2C				
		2D				
		2E				
		2F				
		2B	Team building, group communication	Patient interview and	Emotional intelligence	Critical skills for clinician
16/3/2024	Saturday	2C	Team building, group communication	Patient centered.	Critical skills for clinician	Emotional intelligence
		2D	Team building, group communication	Patient interview and	Critical skills for clinician	Emotional intelligence
		2A	Anatomical parts of nervous system and Anatomy of spinal cord	Histological structure of neuron, neuroglial cells, peripheral nerves, cerebral cortex and cerebellum	Organization of nervous system and spinal cord	Histological structure of cerebral cortex and cerebellum

17/03/2025

Sunday

2B	Anatomical parts of nervous system and Anatomy of spinal cord	Histological structure of neuron, neuroglial cells, peripheral nerves, cerebral cortex and cerebellum	Organization of nervous system and spinal cord
2C	Anatomical parts of nervous system and Anatomy of spinal cord	Histological structure of neuron, neuroglial cells, peripheral nerves, cerebral cortex and cerebellum	Histological structure of cerebral cortex and cerebellum
2D	Anatomical parts of nervous system and Anatomy of spinal cord	Histological structure of neuron, neuroglial cells, peripheral nerves, cerebral cortex and cerebellum	Histological structure of cerebral cortex and cerebellum
2A	Functional organization of the CNS	Metabolism of brain	Examination of sensory system
2B	Functional organization of the CNS	Metabolism of brain	Examination of sensory system
2C	Functional organization of the CNS	Metabolism of brain	Blood supply of spinal cord

Histological structure of cerebral cortex and cerebellum
Organization of nervous system and spinal cord
Organization of nervous system and spinal cord
Blood supply of spinal cord
Blood supply of spinal cord
Examination of sensory system

18/03/2024

Monday

19/03/2024

20/03/2024

Tuesday

Wednesday

2D	Functional organization of the CNS	Metabolism of brain	Blood supply of spinal cord
2A	Sensory receptors, Sensory transduction	Neurotransmitters 1	LM of nerve trunk, cerebral cortex , cerebellum
2B	Sensory receptors, Sensory transduction	Neurotransmitters 1	LM of nerve trunk, cerebral cortex , cerebellum
2C	Sensory receptors, Sensory transduction	Neurotransmitters 1	Neurotransmitters II
2D	Sensory receptors, Sensory transduction	Neurotransmitters 1	Neurotransmitters II
2A	Cysticercosis and Coenurosis	Cells of the CNS and cell response to injury	Cysticercosis & Coenurosis
2B	Cysticercosis and Coenurosis	Cells of the CNS and cell response to injury	Cysticercosis & Coenurosis
2C	Cysticercosis and Coenurosis	Cells of the CNS and cell response to injury	Development and anomalies of the CNS
2D	Cysticercosis and Coenurosis	Cells of the CNS and cell response to injury	Development and anomalies of the CNS

Examination of sensory system
Neurotransmitters II
Neurotransmitters II
LM of nerve trunk, cerebral cortex , cerebellum
LM of nerve trunk, cerebral cortex , cerebellum
Development and anomalies of the CNS
Development and anomalies of the CNS
Cysticercosis & Coenurosis
Cysticercosis & Coenurosis

25/03/2024

24/03/2024

23/3/2024

Monday

Sunday

Saturday

2A	Neurological exam.	Problem solving skills	Neurological exam.
2B	Neurological exam.	Problem solving skills	Neurological exam.
2C	Neurological exam.	Problem solving skills	Problem solving skills
2D	Neurological exam.	Problem solving skills	Problem solving skills
2A	Anatomy of Brain stem	Sedative- hypnotic drugs	Anatomy of Brain stem
2B	Anatomy of Brain stem	Sedative- hypnotic drugs	Anatomy of Brain stem
2C	Anatomy of Brain stem	Sedative- hypnotic drugs	Cranial nerve nuclei
2D	Anatomy of Brain stem	Sedative- hypnotic drugs	Cranial nerve nuclei
2A	Synapse and synaptic transmission	Oxidative stress	Lab.
2B	Synapse and synaptic transmission	Oxidative stress	Lab.

Problem solving skills
Problem solving skills
Neurological exam.
Neurological exam.
Tut.
Tut.
Anatomy of Brain stem
Anatomy of Brain stem
Biochemical basis of neurological diseases & neurotransmitter abnormalities
Biochemical basis of neurological diseases & neurotransmitter abnormalities

Tuesday

uesday

2C	Synapse and synaptic transmission	Oxidative stress	Biochemical basis of neurological diseases & neurotransmitter abnormalities
2D	Synapse and synaptic transmission	Oxidative stress	Biochemical basis of neurological diseases & neurotransmitter abnormalities
2A	somatic sensation & physiology of pain	Anti anxiety drugs	Lab.
2B	somatic sensation & physiology of pain	Anti anxiety drugs	Lab.
2C	somatic sensation & physiology of pain	Anti anxiety drugs	Development and anomalies of the CNS
2D	somatic sensation & physiology of pain	Anti anxiety drugs	Development and anomalies of the CNS
2A	CNS neoplasm	Naegleria fowleri and Acanthamoeba spp. (free living amoebae)	Lab.
2B	CNS neoplasm	Naegleria fowleri and Acanthamoeba spp. (free living amoebae)	Lab.

Lab.
Lab.
Development and anomalies of the CNS
Development and anomalies of the CNS
Lab.

07/04/2024

08/04/2024

Sunday

Monday

2A	Anatomy of diencephalon	Antiepileptic drugs	Nagegleria fowleri, Acanthamoeba spp & African trypanosomes
2B	Anatomy of diencephalon	Antiepileptic drugs	Nagegleria fowleri, Acanthamoeba spp & African trypanosomes
2C	Anatomy of diencephalon	Antiepileptic drugs	Anatomy of of 3rd ventricle
2D	Anatomy of diencephalon	Antiepileptic drugs	Anatomy of of 3rd ventricle
2A	Anti parkinsonial drugs	Physiology of taste & smell sensation	Visual acuity, errors of refraction and colour vision
2B	Anti parkinsonial drugs	Physiology of taste & smell sensation	Visual acuity, errors of refraction and colour vision
2C	Anti parkinsonial drugs	Physiology of taste & smell sensation	Leprosy & Cryptococosis
2D	Anti parkinsonial drugs	Physiology of taste & smell sensation	Leprosy & Cryptococosis
2A	Demyelinating, Degenerative & Obstructive diseases	Narcotic analgesics	Corneal reflex, light reflex & visual field

Anatomy of of 3rd ventricle
Anatomy of of 3rd ventricle
Nagegleria fowleri, Acanthamoeba spp & African trypanosomes
Nagegleria fowleri, Acanthamoeba spp & African trypanosomes
Leprosy & Cryptococosis
Leprosy & Cryptococosis
Visual acuity, errors of refraction and colour vision
Visual acuity, errors of refraction and colour vision
Parasitic CNS affection

Continuous 2 of ECEC module

Continuous 2 of ECEC module	09/04/2024	Tuesday	2B	Demyelinating, Degenerative & Obstructive diseases	Narcotic analgesics	Corneal reflex, light reflex & visual field	Parasitic CNS affection	
			2C	Demyelinating, Degenerative & Obstructive diseases	Narcotic analgesics	Parasitic CNS affection		Corneal reflex, light reflex & visual field
			2D	Demyelinating, Degenerative & Obstructive diseases	Narcotic analgesics	Parasitic CNS affection		Corneal reflex, light reflex & visual field

	2F							
	13/4/2024	Saturday	2A	Research ethics	medical record	Medical ethics	Continuous 2 of ECEC module	Medical errors in emergency department
2B			Research ethics	medical record	Medical ethics	Medical errors in emergency department		
2C			Research ethics	medical record	Medical errors in emergency department	Medical ethics		
2D			Research ethics	medical record	Medical errors in emergency department	Medical ethics		

14/4/2024	Sunday	2A	Morphology of cerebral hemisphere	Function of spinal cord reflexes (the stretch reflex and skeletal muscle tone)	Morphology of the cerebrum	CNS stimulants & drugs of abuse
		2B	Morphology of cerebral hemisphere	Function of spinal cord reflexes (the stretch reflex and skeletal muscle tone)	Morphology of the cerebrum	CNS stimulants & drugs of abuse
		2C	Morphology of cerebral hemisphere	Function of spinal cord reflexes (the stretch reflex and skeletal muscle tone)	CNS stimulants & drugs of abuse	Morphology of the cerebrum
		2D	Morphology of cerebral hemisphere	Function of spinal cord reflexes (the stretch reflex and skeletal muscle tone)	CNS stimulants & drugs of abuse	Morphology of the cerebrum
15/4/2024	Monday	2A	Anatomy of cerebral cortex	Cortical control of motor functions and functions of motor descending tracts	LM of spinal cord (cervical, thoracic and lumbar), medulla (closed & Open), pons and midbrain	General anesthesia
		2B	Anatomy of cerebral cortex	Cortical control of motor functions and functions of motor descending tracts	LM of spinal cord (cervical, thoracic and lumbar), medulla (closed & Open), pons and midbrain	General anesthesia
		2C	Anatomy of cerebral cortex	Cortical control of motor functions and functions of motor descending tracts	General anesthesia	LM of spinal cord (cervical, thoracic and lumbar), medulla (closed & Open), pons and midbrain

		2D	Anatomy of cerebral cortex	Cortical control of motor functions and functions of motor descending tracts	General anesthesia	LM of spinal cord (cervical, thoracic and lumbar), medulla (closed & Open), pons and midbrain
16/4/2024	Tuesday	2A	Anatomy of the white mater	Reticular formation, EEG and sleep	Hearing tests	Anatomy of lateral ventricle
		2B	Anatomy of the white mater	Reticular formation, EEG and sleep	Hearing tests	Anatomy of lateral ventricle
		2C	Anatomy of the white mater	Reticular formation, EEG and sleep	Anatomy of lateral ventricle	Hearing tests
		2D	Anatomy of the white mater	Reticular formation, EEG and sleep	Anatomy of lateral ventricle	Hearing tests
17/4/2024	Wednesday	2A	Bacterial meningitis	Posture and body equilibrium	Examination of the motor system	Anatomy of the cerebral meninges and CSF
		2B	Bacterial meningitis	Posture and body equilibrium	Examination of the motor system	Anatomy of the cerebral meninges and CSF
		2C	Bacterial meningitis	Posture and body equilibrium	Anatomy of the cerebral meninges and CSF	Examination of the motor system
		2D	Bacterial meningitis	Posture and body equilibrium	Anatomy of the cerebral meninges and CSF	Examination of the motor system
		2A	Introduction to Research methodology & Biostatistics	Types of data	Introduction to SPSS Program	Key skills of scientific researcher

20/4/2024	Saturday	2B	Introduction to Research methodology & Biostatistics	Types of data	Introduction to SPSS Program	Key skills of scientific researcher
		2C	Introduction to Research methodology & Biostatistics	Types of data	Key skills of scientific researcher	Introduction to SPSS Program
		2D	Introduction to Research methodology & Biostatistics	Types of data	Key skills of scientific researcher	Introduction to SPSS Program
21/4/2024	Sunday	2A	Anatomy of the basal ganglia	Viral meningitis, encephalitis and rabies virus	Lab.	Basal Ganglia
		2B	Anatomy of the basal ganglia	Viral meningitis, encephalitis and rabies virus	Lab.	Basal Ganglia
		2C	Anatomy of the basal ganglia	Viral meningitis, encephalitis and rabies virus	Basal Ganglia	Lab.
		2D	Anatomy of the basal ganglia	Viral meningitis, encephalitis and rabies virus	Basal Ganglia	Lab.
		2A	Motor function of cerebellum, cerebellar dysfunction	Blood supply of the brain	Blood supply of the brain	Poliomyelitis & Prion

22/4/2024	Monday	2B	Motor function of cerebellum, cerebellar dysfunction	Blood supply of the brain	Blood supply of the brain	Poliomyelitis & Prion
		2C	Motor function of cerebellum, cerebellar dysfunction	Blood supply of the brain	Poliomyelitis & Prion	Blood supply of the brain
		2D	Motor function of cerebellum, cerebellar dysfunction	Blood supply of the brain	Poliomyelitis & Prion	Blood supply of the brain
23/4/2024	Tuesday	2A	Motor function of the basal ganglia	NSAID 1 (Non selective Cox inhibitors)	Coronal & transverse Sections of the brain & spinal cord 1	Involuntary movements and tremors
		2B	Motor function of the basal ganglia	NSAID 1 (Non selective Cox inhibitors)	Coronal & transverse Sections of the brain & spinal cord 1	Involuntary movements and tremors
		2C	Motor function of the basal ganglia	NSAID 1 (Non selective Cox inhibitors)	Involuntary movements and tremors	Coronal & transverse Sections of the brain & spinal cord 1
		2D	Motor function of the basal ganglia	NSAID 1 (Non selective Cox inhibitors)	Involuntary movements and tremors	Coronal & transverse Sections of the brain & spinal cord 1
2024	esday	2A	Functions of the hypothalamus and thalamus	Demyelinating, Degenerative & Obstructive diseases	Mechanism of walking and abnormal gaits	Tractology
		2B	Functions of the hypothalamus and thalamus	Demyelinating, Degenerative & Obstructive diseases	Mechanism of walking and abnormal gaits	Tractology

3 of CNS

3 of CNS	24/4/	Wedn	2C	Functions of the hypothalamus and thalamus	Demyelinating, Degenerative & Obstructive diseases	Tractology	Mechanism of walking and abnormal gaits	
			2D	Functions of the hypothalamus and thalamus	Demyelinating, Degenerative & Obstructive diseases	Tractology	Mechanism of walking and abnormal gaits	
	27/4/2024	Saturday	2A	Tabular and graphical presentation of data	Mathematical presentation of data	Mathematical presentation of data on SPSS	Tabular and graphical presentation of data	
			2B	Tabular and graphical presentation of data	Mathematical presentation of data	Mathematical presentation of data on SPSS	Tabular and graphical presentation of data	
			2C	Tabular and graphical presentation of data	Mathematical presentation of data	Tabular and graphical presentation of data	Mathematical presentation of data on SPSS	
			2D	Tabular and graphical presentation of data	Mathematical presentation of data	Tabular and graphical presentation of data	Mathematical presentation of data on SPSS	
	2024	day	2A	Cognitive function of the brain memory, learning and physiology of speech	NSAID 2 (selective Cox2 & selective Cox3 inhibitors)	Coronal & transverse Sections of the brain & spinal cord 2	3 of CNS	Tut.
			2B	Cognitive function of the brain memory, learning and physiology of speech	NSAID 2 (selective Cox2 & selective Cox3 inhibitors)	Coronal & transverse Sections of the brain & spinal cord 2		Tut.

continuous	28/4/24	Sun	2C	Cognitive function of the brain memory, learning and physiology of speech	NSAID 2 (selective Cox2 & selective Cox3 inhibitors)	Tut.	continuous	Coronal & transverse Sections of the brain & spinal cord 2
			2D	Cognitive function of the brain memory, learning and physiology of speech	NSAID 2 (selective Cox2 & selective Cox3 inhibitors)	Tut.		Coronal & transverse Sections of the brain & spinal cord 2
	29/4/2024	Monday	2A	Physiology of The Limbic system	CNS vascular diseases & trauma	Lab.	Spinal cord lesion	
			2B	Physiology of The Limbic system	CNS vascular diseases & trauma	Lab.	Spinal cord lesion	
			2C	Physiology of The Limbic system	CNS vascular diseases & trauma	Spinal cord lesion	Lab.	
			2D	Physiology of The Limbic system	CNS vascular diseases & trauma	Spinal cord lesion	Lab.	
	30/4/2024	Tuesday	2A	Research questions, Hypothesis testing	Types of sampling	Analysis of categorical data on SPSS	Sample error & sample size	
			2B	Research questions, Hypothesis testing	Types of sampling	Analysis of categorical data on SPSS	Sample error & sample size	
			2C	Research questions, Hypothesis testing	Types of sampling	Sample error & sample size	Analysis of categorical data on SPSS	
			2D	Research questions, Hypothesis testing	Types of sampling	Sample error & sample size	Analysis of categorical data on SPSS	
	1/5/24	day	2A					

Contionus 1 of research module

Contionus 1 of research module	01/05/20	Wednes	2B	إجازة عيد العمال			
			2C				
			2D				
			2E				
			2F				
		2A	Screening tests	ROC curve	Analysis of quantitative data on SPSS	Contionus 1 of research module	Application of screening test in early diagnosis of diseases
		2B	Screening tests	ROC curve	Analysis of quantitative data on SPSS		Application of screening test in early diagnosis of diseases
		2C	Screening tests	ROC curve	Analysis of quantitative data on SPSS		Application of screening test in early diagnosis of diseases
		2D	Screening tests	ROC curve	Application of screening test in early diagnosis of diseases		Analysis of quantitative data on SPSS
		2A	Study design I	Study design II	Application of study design in research		Questionnaire
		2B	Study design I	Study design II	Application of study design in research		Questionnaire
			2C	Study design I	Study design II	Application of study design in research	Questionnaire
			2D	Study design I	Study design II	Questionnaire	Application of study design in research
		2A	إجازة شم النسيم				
		2B					
		2C					
		2D					
		2E					
		2F					

Contionus 2 of research module

07/05/2024	Tuesday	2A	Normal distribution curve	Vital rates	Application on vital rates	Contionus 2 of research module	Application on vital rates
		2B	Normal distribution curve	Vital rates	Application on vital rates		Application on vital rates
		2C	Normal distribution curve	Vital rates	Normal distribution curve		Normal distribution curve
		2D	Normal distribution curve	Vital rates	Normal distribution curve		Normal distribution curve
